Non-accessible content

The content listed below is non-accessible for the following reasons.

Non-compliance with the accessibility regulations

Some of our PDFs and Word documents are essential to providing our services. For example meeting and policy documents. All documents published from September 2020 onwards will be accessible PDFs wherever possible and we will also gradually replace current operational documents.

The accessibility regulations [do not require us to fix PDFs or other documents published before 23 September 2018](#) if they're not essential to providing our services. For example, we do not plan to fix old meeting documents such as agendas and minutes.
